United States Chief Magistrate Judge Kelly H. Rankin
United State District Court for the District of Wyoming

Re: Docket Case Number: 23-PO-136-KHR, 23-PO-135-KHR

Honorable Chief Magistrate,
District Attorneys,

MOTION TO DISMISS WITH EXTREME PREJUDICE

The prosecution has had Monte-Lee's public records for over a year. These public records, autographed by Monte-Lee and his sons, stand as evidence against the presumptions of the Court. The prosecution failed to respond to said public records by entering a contract into evidence and therefore has acquiesced. Instead, the prosecution engaged in further mis-identifying, fraud and mis-characterizing for commercial gain (personage), a Crime of State and forced compliance to contracts not held (peonage/slavery), a violation of international law.

Enforcement officers used Monte-Lee's Trade Name, which is held under private unregistered Copywrite and unregistered Trade Mark (See Monte-Lee's Public Records "Certificate of Assumed Names"), to deliver citations/complaints (offers to contract) to Monte-Lee's sons in a commercial (fraudulent - see 2nd Notice) activity. These actions violate the following Acts of Congress:

Lanham Act --- attempted attachment and seizure of Unregistered Trademarks;
Title 15, Section 1125 (a) and 11

Presumption of the Public Vessels Act 46 U.S.C.A. Appendix Sections 781-790 as originally enacted

Re: District Case Number, 23-PD-135-KHR, 23-135-KHR
Honorable Chief Magistrate
District Attorney

MOTION TO DISMISS WITH EXTREME PREJUDICE

The prosecution has had Monte Lee Baker's public records for over a year. These public records, subpoenaed by Monte Lee Baker and his sons, stand as evidence against the prosecution of the Court. The prosecution failed to respond to said public records by entering a contest where evidence and therefore has acquiesced. Instead, the prosecution engaged in further misidentifying, hiding and mischaracterizing for commercial gain (prosecution) a Court of state and federal compliance to contract not to be a violator of international law.

Before entering the records of Monte Lee Baker, which is held under private unregistered copyright and was gained from Baker's Public Records ("Certificate of Assumed Name") to the prosecution/complaint (officer to control) to Monte Lee Baker's sons in a commercial (fraudulent - see 5th Notice). As such, these actions violate the following with or Congress:

1. Patent Act - adopted a tactic to the United States Trademark,

Copyright Act and 11

of the Public Works Act to U.S.C. Appendix Section 711-750 as

The Postal Accountability and Enhancement Act of Title 39, Sections 1-908 and 3621-3591

Federal Land Policy and Management Act (enactment clause section 701)

The False Claims Act, Title 31 U.S.C. A. Section 3729 (a) and (7)

The Foreign Sovereign Immunities Act, Title 28, Sections 1602-1611

Additionally, a FOIA request (see attachments) was served on this court for the Oaths of Office of the several public officials involved in this matter. The administrative offices responded on behalf of Chief Magistrate Justice Kelly H. Rankin, confirming the date of Oath of Office, however, refused to provide a copy of the public record (a contract with "We the People"). No response has been received by the District Attorneys. This is fraud (the deliberate concealment of material information in a setting of fiduciary obligation") and a deprivation of our rights to Life, Liberty, and the pursuit of Happiness.

These are all indictable crimes.
